VAN ZELLERS & CO PORT COLHEITA
WHITE PORT 1940

“Dried figs, crushed walnuts, pine resin and mushrooms. Bark and dried herbs. Just enough volatility to keep it fresh. It is full and creamy-textured. The center palate is linear with all the telltale signs of a white port. Sweet, but not overwhelming. Walnuts, spices and floral notes at the end. Tense. Kept in stainless steel vats since 2020. Bottled in September 2022.

Drink now.”
